

West Town Bank & Trust Switch Kit

Step One: Open your new WTBT account

- Simply fill out the **WTBT Checking/Savings Account Form**. This form is a quick & easy way to gather the information you will need to open your new account(s) with WTBT.
- Bring your completed form to an WTBT location along with proper identification: Driver's License or Picture ID and Social Security Card.

Step Two: Transfer your direct deposits

- You will need to notify any company that sends direct deposits to your account.
- First fill out the **Authorization to Change Automatic Payment** for any direct deposits you wish to be transferred to your new WTBT account.
- Then, send the completed form to your employer's Human Resource department, or another company handling your retirement or pension payments.
- If you receive a direct deposit from the Social Security Administration, go to their website, www.ssa.gov/deposit/howtosign.htm, or call 1-800-772-1213 in order to access the proper forms.

Step Three: Transfer your automatic payments

- Use the **Authorization to Change Automatic Payment** form for each automatic payment you wish to be transferred to your new WTBT account.
- You also have the option to cancel your Automatic Payments and use our FREE Online Banking with Bill Pay instead. It's the convenient, easy way to track all your payments and to make sure all your bills are paid on time.

Step Four: Close your old account

- The **Authorization to Close My Deposit Account** form should be completed for each account you wish to close and mailed to your previous financial institution.
- Make sure that all checks have cleared and automatic payments and direct deposits have been switched to your new WTBT account.
- Once they receive this form they will follow your instructions to close the appropriate account(s).
- Destroy all old checks, deposits slips and ATM cards associated with the old account.
